

HIGH ABOVE THE ROOFS.

Eye in eye with the „Wilder Kaiser“ mountain massif, the Hotel Schwarzer offers the probably most spectacular boardroom high above Kitzbühel. But it has much more to offer: Purist modern design in combination with high quality natural products as oak flooring and woollen fabrics. State-of-the-art technology, professional service and the unique location are jointly responsible for the success of your conference.

SCHWARZER ADLER KITZBÜHEL
WELLNESS-SPA HOTEL

IN THE CENTRE OF KITZBÜHEL

Welcome to Kitzbühel´s first 4 star superior hotel with its special culinary delights and focus on well-being. At the Schwarzer Adler we place great importance on sophisticated architecture and innovative ideas, which have allowed us to transform this former inn into a lovingly boutique hotel.
